24TH JULY MEMBERS WEEKEND

Our next members' weekend is scheduled for the above date. It would be great to see some more of our members for this weekend. Unfortunately the last members' weekend wasn't very well attended, so it would be great to see a well supported one.

It's a lovely time of year at the Centre, despite the underwhelming weather so far this summer. Fingers crossed it will improve for the members' weekend as I am sure everyone is looking forward to a paddle in the lake.

We have had a delivery of logs and these, as normal, have been stacked at the top of the hill so will need to be rolled down. Although it can be a tiring job it also a good way to get some exercise and can be quite fun. If you would like to help with the logs please get in touch.

AGM / Committee

The AGM is on the 7th November this year. Again there will be a bonfire and members are invited to bring fireworks (hopefully the weather will be better this year). Some of the current committee will be standing down this year and we ask you all to consider if you would be prepared to join the committee to help move the Centre into a bright future. If you would like to know what is expected of a committee member please don't hesitate to get in touch with any of our current committee.

TREASURER

Unfortunately Anna Shaddock has had to resign from the post of Treasurer. John Irwin has kindly stepped in to the post until the next AGM when a new Treasurer can be voted in. Again if anyone would like more information about the role of Treasurer please don't hesitate to get in touch.

WASHROOM UPDATE

The washrooms are due to be refurbished in November after the AGM. Plans will be available to view at the AGM. Due to the scale of the refurbishment the Centre will be closed from Monday the 9th November until Thursday the 3rd December. We are looking forward to the final results.

Borehole update

The Borehole is progressing well. The pipework was laid recently with the help from Paddy Muir and Brian Burscough. Please see photos below. The next step is for the electrical work to be carried out

The book 'Gillerthwaite- A Brief History' researched and compiled by Mike Rollison can be bought by contacting Ellen, either by email warden@lgfc.org.uk. Or calling 01946861229 and forwarding a payment of £11.75.
