## AGM

The AGM will take place on Saturday 29th Oct. It will start at 2pm with pre-AGM refreshments at 1.30pm.

Supper will start from 6.30pm in the Wolfson Room at £5 per head. Please pay John Irwin on the day.

There won't be a bonfire but there will be a fire in the fire pit. Please bring your own fireworks.

Please remember to complete your nomination forms and return them to the committee. Book your bedspace with Ellen 01946 861229 or warden@lgfc.co.uk

+ Members and Mates week + CM

(Please make sure you book your bed with Ellen, as bedspace will also be available to the general public \*no exclusive use bookings will be taken)

We have had a stunning autumn so far in the valley, the weather has been beautiful although its starting to get colder now and winter is fast approaching. We have arranged for the drainage works to be carried out before the 11th of December so hopefully we'll avoid any flooding issues this year.

## Lease Renewal

Progress is being made but frustratingly very slowly. However we do now have a letter of commitment to say the lease will be renewed in May 2017 - But we are still a long way from agreeing on the detail. We hope to have a more detailed report for the AGM, but please do not hold your breath!

Chris Pearce

### **HALPIN TRUST**

We are delighted to confirm that the Halpin Trust have now paid us the grant for improvements to the Wolfson Room. The grant will help buy new updated furniture, new equipment and apparatus for school and Educational Hub use, and improve the sink area, We will also be buying a new projector, and geology equipment. This will make the Wolfson a great asset for the Centre.
